Junior Campus Number 21

Thursday 18 September 2008

Dear Parents and Carers,

Almost in the home run now. All of the students have worked diligently this term and their enthusiasm for 'Our Place of Learning' is a delight to see.

The Learning Journey last week was a huge success, almost 75% of students had a visitor to explain their learning to. Students who have no visitors are also catered for as spare staff visit classrooms and share the learning with students who have no visitors.

Students in Years 3 & 5 received their NAPLAN reports this week. Next week, on Tuesday, 23rd September @ 9am and Thursday, 25th September @ 7pm Wendy Wurfel will be holding an information session on the Junior Campus. These sessions will help to explain what the NAPLAN report means and the implications for your children. If you are able to attend please advise by ringing the school on 02-62056055.

*Have a great weekend

Over the last term I have been reorganising the books in our library. In doing so I have found many books that are very old and also multiple copies of the same book.

Many of the old non fiction books have now been replaced with more up to date copies but still have valuable information in them. We have decided to sell off these books next week. There will also be a number of fiction titles for sale. The books will be either 50cents or \$1.00 and will be sold during Recess 2 and for a very short time on Wednesday after school.

Any books not sold by Thursday afternoon will be donated to a charity.
