## Campus Principal's Report

Hi everyone

### **Music with The Stars**

As I write my newsletter article, students are busily practising for this evenings Music with the Stars. This evening is a real highlight on our Junior Campus calendar where we can come together as a community and celebrate another year together. I would like to thank the following people for their role in organising the event:

- Jenny Riley and Anna Connell for taking on the big role of coordinating the evening
- Fiona Green, the P&C and parent volunteers for providing the BBQ and raffle
- All staff for planning and practising items with students

### **2019**

Staff have been working extremely hard over the past few weeks in finalising student assessments and reports. They have also been putting a lot of thought into class arrangements for 2019. Over the final two weeks of 2018 we will be providing opportunities for students, where possible, to get to spend some time with their potential teachers for next year.

### **Volunteer's Morning tea**

To acknowledge and thank the many volunteers that have helped out at our school during the year, we will be hosting a Volunteer's Morning Tea. This will be held on Tuesday 18 December. Invitations will be sent home shortly.

## Writing for authentic purposes at CCS

In my last newsletter article, I made mention of some of the great writing that is happening at our school for authentic purposes. This week I have another example which I am proud to share. This week Brooke T in Year 3 has been working with a team of students to clean up our playgrounds. She followed up this good work by writing a persuasive letter to the community (included in this newsletter) to raise awareness of keeping our school rubbish free.

Have a restful weekend.  
Nathan Pepper  
A/g Campus Principal

## Preschool

We can't believe we only have a few weeks left with the Pelicans and Rosellas. The year has flown by (pardon the pun). On Wednesday we celebrated our year with our Preschool families. Each child received a certificate and then their families joined us for an afternoon of fun. Thank you to the P&C for organising the sausage sandwiches and for all their support throughout the year. Congratulations, we enjoyed every minute!

## Acacia Unit

The Acacia Unit is excited as students and teachers work hard to learn our items for Music with the Stars. The students are doing a great job and it will be a lovely performance, we hope to see everyone there tonight.

As we head to the final weeks of the school year our displays are beginning to have a very festive look to them. Lots of art work will be coming home soon as well and we ask that you please check for items of lost property so that it can be reunited before the break.

Week 9 will be a busy time for the Acacia Unit with the JLSU heading off on an excursion to Boundless and Kindergarten are looking forward to their excursion to

Tidbinbilla. Parent volunteers would be very welcome to join the Kindergarten excursion.

Rachel Dawson & Shiri Marx - Kinder

Alinta Turner & Annette Harasymiv - JLSU

## Kurrajong Unit

Year 1 and 2 have been practising hard for our Music with the Stars performance on Friday night, and we can't wait for you to see it 😊 We're looking forward to a wonderful night with parents and friends and sharing some very special songs with you all. The end of the year is fast approaching! Beginning next week, we will start sending students home with spare books and art work so that the load is not so heavy in Week 10. If you have any spare plastic bags you could send in to assist us in getting everything home, that would be wonderful.

Thank you to everyone for a wonderful year of learning and fun.

## Melaleuca Unit

As the year begins to wind down, Year 4 are still working hard across all areas of the curriculum. House Leader speeches were presented this week, with students nervous but confident. We will find out who our 2019 House Leaders will be at Music with the Stars tonight, Year 3 and 4 are also very excited to perform their song for everyone as well.

Year 4 have been working on a media art project this term. After reading the story 'Fox' by Margaret Wild, students planned a retell of the story, made plasticine animals, painted background scenes and have been taking photos to create a stop-motion video. There has been a lot of problem solving and team work skills being used throughout the process and the final products will look fantastic!

## Rubbish on Campus

A persuasive text by Brooke and Jess Year 3

1. It is disgusting how much litter our school has, have you ever thought to clean up our school?
2. How would you feel if our school got covered in rubbish?
3. We were thinking about having a compost bin (Mr Pepper's answer).
4. Help our school if you would like to help our school clean up rubbish.
5. Mr Pepper, we are thinking to have separate bins, a recycling bin, a rubbish bin and a compost bin.
6. THINK before you litter!
7. If you see rubbish, PICK IT UP!

**We were shocked by how much rubbish we found around our school!**
