### Order your child’s school supplies today

We all know how busy it can be getting organised for the new year. And with 2015 fast approaching, it’s time to start thinking about Back to School.

- OfficeMax
- officemaxschools.com.au
- all you need to do is view the list, make any changes you’d like for your child and order away. And, if you’re ordering for multiple children with delivery direct to your door, you can place their orders at the same time and pay only one fee.
- So why not visit officemaxschools.com.au and get it done now?

There are some terrific incentives to get your order in before 19 December 2014:
- You’ll go in the draw to win 1 of 75 $100 Visa Debit Cards
- You’ll only pay $8.95 for delivery; a discount of over 50%
- Plus for every dollar you spend, your child’s school benefits by receiving a proportion of the value which they can invest back into the classroom.

Happy ordering!
